We thank you in advance for your prayers, support and love.

EMERGENCY DISASTER COMMITTEE – This is the time of the year when fires are on the rise! Please consider these two fire safety tips to keep you safe!

1. Check the battery in your smoke detector and your carbon dioxide detector. Contact your nearest fire department and they will come and install a smoke detector for free. Carbon dioxide detectors can be purchased at Home Depot, Walmart or Amazon.
2. Do a home fire drill with your family and always be ready in case of a fire emergency!

EMERGENCY DIASTER COMMITTEE - A wise shrewd person discerns the danger ahead and prepares himself, but the naïve simpleton never looks ahead and suffers the consequences. The Church of the Redeemer Baptist will not be naïve and we will be ready when danger comes and we need your help! The Emergency Disaster Committee needs YOU to help fulfill this mission. Anyone 18 years old or older that has an interest in helping to keep the church safe in an emergency can help by joining the Emergency Disaster Committee. Please give your name and number to Karen Stevens if interested.
